

Come celebrate our 25th year!

A community's health can be measured by its devotion to the arts. For a quarter century, Somerville's artists have volunteered their time and energy to create this opportunity to see art where it's made and meet those who make it. Whether it's a chance to have a dialog about the creative process, support artists by purchasing their work, or just view locally produced art and take in some creative energy — we hope your experiences during SOS 2024 personally inspire and, in so doing, strengthen the wider community of our changing city.

Somerville Open Studios is created by the passion, energy and generosity of a village of volunteers.

THANK YOU, ALL OF YOU!

If you are interested in helping with our 2024 event, please email domore@somervilleopenstudios.org.

SPECIAL THANKS: City of Somerville, Somerville Arts Council, Somerville Department of Public Works, Somerville Traffic and Parking, Somerville Museum.

SOMERVILLE OPEN STUDIOS (SOS) is a non-profit organization. Our goal is to broaden the public's exposure to, and appreciation of, works of art as well as the art-making process. This exposure both educates the community and raises awareness of the diverse artistic experience available in Somerville.

SOS assumes no liability for loss, theft, or personal injury incurred while visiting or traveling between participating studios. For more information about SOS, visit our website www.somervilleopenstudios.org
